

41 Carver 396 Motor Yacht

General Information

Type: Power Boat

This magnificent vessel is in immaculate condition. She has been fitted out by master craftsmen who have used the finest interior trim available. The saloon boasts two luxurious lazy boy armchairs and a pull out double bed. She has air-conditioning throughout. The two en suite double cabins are spacious with tastefully sculptured trim and decor. The two heads come complete with walk-in showers with seats. The interior volume of this vessel is considerably more than it has' competitors. She is laid out perfectly for our Cape waters as you and your guests can be shielded from the weather by a premium cabin and awning design. As the helm station is on the fly bridge you can enjoy your privacy aboard this magnificent vessel.
