

**RIVIERA 50/027 ENCLOSED FLYBRIDGE**  
**AUS\$1,895,000**

**QUICK SPECIFICATIONS**

Hull ID number:	AU-RVA50027B515
Engines:	Twin Volvo IPS 950 Diesel
Overall length:	17.26m (56' 8")
Beam:	5.01m (16' 5")
Draft:	1.18m (4'6")
Displacement:	23 000kg
Water capacity:	700L
Fuel capacity:	3 200L
Holding tank:	380L
Cabins:	6 – 8 people
Heads:	2

**STANDARD SPECIFICATIONS:**

**AUDIO/VISUAL:**

Flybridge – AM/FM Stereo CD/DVD player with ipod interface and 4 speakers to the flybridge \* aster stateroom Aft – 26" LED TV integrated into home theatre system \* Saloon – Bose V35 and blu-ray player, including amplifier & sub

woofer, 5 speakers in saloon and 2 speakers in cockpit \* Saloon 40" LED TV mounted into electric fold up mechanism on forward dash incorporated into saloon sound system

### **COCKPIT:**

Cockpit hatches with heavy-duty stainless steel lock downs for lazarette storage and bilge access \* Double action manual bilge for engine room \* Engine room access via lift up hatch with gas strut \* Grab rails to assist access to side decks \* GRP locker doors to storage, inc stainless steel catches \* Handheld shower hot & cold (fresh water) \* Large box fitted into cockpit floor, with pump out facility and hatch \* Lighting – flood lights, overhead & courtesy (DC) \* Mezzanine including Aft facing seat (white vinyl) (inc white stamoid cover) \* Rear saloon door – tinted tempered glass, stainless steel frame, sliding \* Rear saloon window opening up (tinted, tempered glass) \* Refrigerated cool box top loading forward of mezzanine seating \* Rubbish bin within locker \* Self draining cockpit to stern outlet \* Steps to side decks port & starboard \* Swim platform rails – 2 x removable U shaped rails to swim platform including mid rail \* Transom door GRP opening outwards x 2 \* Wash down outlet seawater \* Waterproof GPO to cockpit locker

### **CONSTRUCTION:**

Hand laid, moulded fibreglass hull, cored deck, hull topsides and flybridge \* Independent compartments throughout hull \* Isophthalic gelcoat exterior (white) \* Solid GRP keel, chines and engine penetration area \* Vinylester resin in first outer layer of hull \* Watertight collision bulkhead forward

### **DECK:**

Anchor – stainless steel 35kg (77lbs) ultra anchor, 70m (230ft) of 10mm (3/8") galvanised chain \* Anchor chain chafe plate fitted to bowsprit \* Anchor chain stopper fitted to deck \* Anchor locker with rope/chain divider (offset to stbd) Access from hatches on deck \* Anchor safety strap \* Anchor winch vertical with overload protection circuit breaker, suit rope & chain, up & down switches & remote to helm \* Bow rail welded stainless steel (316 marine grade, highly polished) with mid safety wire including flag staff and burgee (bow flag) \* Bow roller stainless steel self-loading – through bowsprit, heavy duty \* Cleats – Pop up fender style (x 2) to cockpit coaming \* Cleats – stainless steel, 11" (x 8) & fairleads aft (x 2) \* Fender holders (x 4) to Bow Rail (not available with lower helm due to lack of visibility) \* Rails port & starboard of flybridge above window for safe passage to forward deck \* Rub rail – impact and UV resistant PVC (white) with stainless steel insert strip \* Wash down faucets at anchor locker – salt & fresh water

### **ELECTRICAL:**

Alternators – independent start bank and independent house bank \* Battery banks individually isolated \* Battery paralleling system for emergency engine starting \* Bonding system, to all metallic hull fittings under the water line with zinc anode including galvanic isolator \* Digital DC circuit control and protection incorporating 'intelligent' operation with user programmable usage moes, timer circuits, light dimming and circuit bypass, operational via conventional switches, signal set points as well as LCD display modules \* Digital monitoring system including AC and DC power metering, fluid tank level monitoring and DC circuit status via colour 8.4" LCD touchscreen display at saloon entry and 3.5" LCD display to helm \* Engine monitoring including instrumentation, alarms and hour meters \* Generator – Onan EQD 13.5 kw/50Hz (17kw/60Hz) with muffler, fresh water-cooled including sound shield, remote stop/start electronic & hour meter \* Inverter 2.5kW to operate entertainment, 1 x Galley GPO and ice machine (if optioned) in the absence of generator or shore power \* Navigation lights LED (international standard) \* Wiring coded, numbered & assembled in looms where possible \* Generator is not intended to supply power to all standard and optional accessories simultaneously. Load must be limited to output rating. Power management may be required.

## **ELECTRONICS:**

A comprehensive range of factory fitted electronic packages and custom fitments are available through Riviera Electronics, from fish finders, to underwater lights. Contact your dealer for details.

## **FLYBRIDGE:**

3 Sided Enclosed hardtop, GRP with Vinyl headliner \* Flybridge forward windows x 2 clear tempered windscreen \* Hatch – square white (x 1), with insect screen and blackout blind \* Headlining – vinyl with padding \* Lighting – LED overhead, courtesy and red night light \* Lockable hatch over flybridge access stairs \* Lounge L shaped to port in vinyl (white) \* Lounge L shaped, forward in vinyl (white) \* Overhead grab rail \* Rear enclosed by clear strata glass from hardtop to floor with 3 sided zipper openings \* Rear railing including midrail in stainless steel highly polished \* Side windows tinted, opening \* Table, GRP, mounted onto fixed pedestal \* Wet bar including solid surface benchtop, refrigerator, drink holders and sink with hot & cold faucet \* Windscreen wipers pantograph (x 2), with fresh water washers, controls to helm with intermittent controls to wipers

## **GALLEY:**

Electric cooktop, dual element with pot keepers \* Flooring, vinyl (premium grade) \* Garbage bin \* Lighting, overhead (DC) \* Microwave convection oven \* Rangehood \* Refrigerator drawer unit 2 x drawers \* Solid surface benchtop with stainless steel sink and mixer tap \* Storage cabinets & drawers below and above bench

## **GENERAL SPECIFICATIONS:**

All stainless steel exterior fastenings 316 marine grade \* All stainless steel mirror finish with ground and polished welds \* Antifouling: 2 coats epoxy undercoat, 2 coats antifoul \* Fenders x 4, dock lines x 3 and boat hook \* Fire extinguishers, portable x 5 and integral system to engine room \* Gelcoat – 1 litre, shipped on board \* Owners manual – high quality, water resistant and comprehensive \* Safety labels – English language (unless otherwise specified)

## **GUEST STATEROOM – FORWARD:**

Access to private ensuite/dayhead \* Air conditioning: 12,000 BTU with electric heat split to the head \* Bedside tables \* Carpet with underlay \* Hanging lockers (x 2), cedar lined with auto lighting \* Hatches x 2 – square white with screen and blind \* Headboard upholstered \* Large open storage area under berth \* Private entrance door \* Queen walk around berth with innerspring mattress \* Storage cabinets outboard with positive locking hardware and gas support struts

## **GUEST STATEROOM – STARBOARD:**

Air conditioning: 4,000 BTU with electric heat (designated unit) \* Berths, Twin single bunks side by side with centre side table \* Carpet with underlay \* Hanging locker, cedar lined with lighting and shelving below \* Headboard – upholstered \* Large fixed hull window with porthole, opening x 1, stainless steel round with alarm to helm including roller blind (to match saloon section) \* Large open storage space beneath berth \* Private entrance door \* Reading and overhead lighting (DC) \* Storage cabinets outboard with positive locking hardware \* Storage cupboard with drawers and shelf

## **HEAD – MASTER & GUEST:**

Air conditioning split from staterooms \* Extraction fan \* Flooring in vinyl (commercial grade) \* Hatch – white with insect screen & blackout blind \* Master head – Blackwater tank level indicator \* Overhead and vanity lighting (DC) \* Private entrance door \* Shower stall with frameless glass door and shower head (on slide bar) \* Solid surface vanity benchtop with porcelain sink and mixer tap \* Timber locker door to underbench storage \* Toilet (fresh water flush) \* Toilet roll holder & accessories \* Towel rails to heads \* Vanity cabinet \* Vanity Mirror

## **HELM – FLYBRIDGE:**

12V Outlet \* C zone LED 3.4" display for monitoring and controlling systems \* Chain counter (anchor) \* Compass 4.75" with light \* Dash cover (white) \* Dedicated switches for Horn, wipers (with intermittent setting) overhead and navigation lights and engine start/stop \* Drink holder \* Electronic engine control unit, twin lever gear & throttle \* Helm & Companion Chairs (x 2) Pompanette Try, fully adjustable with arm and foot rests \* Helm electronics area with 24vdc feed, main circuit breaker protected, suits 2 x large screens \* Joystick docking control \* Recess – moulded for mobile phones \* Spotlight control panel \* Storage lockers & drawers \* VHF radio including aerial \* Visual & audible signal for bilge high water

## **MASTER STATEROOM (AFT STANDARD):**

Access to private ensuite \* Air conditioning 12,000 BTU with electric heat (split into ensuite) \* Bedside table with drawer storage \* Carpet with underlay \* Entertainment cabinet with storage below \* Full length mirror \* Hanging locker x 4 with auto lighting \* Headboard upholstered \* Large fixed hull window with porthole, opening x 1, stainless steel round with alarm to helm including roller blind (to match saloon section) \* Large open storage space beneath berth \* Overhead lighting \* Private entrance door \* Queen size walk around berth with innerspring mattress \* Storage drawers with positive locking hardware under berth

## **MECHANICAL:**

Acoustic and thermal insulation linings to engine room and machinery spaces \* Fuel fillers to port & stbd \* All through hull fittings on or below the water line fitted with ball valves, all hoses double clamped \* Bilge pumps – auto and manual override x 4 \* Emergency fuel shut-off valves accessed from outside engine room \* Engine mounts – anti vibration \* Engine room access with ladder \* Engine room flowcoated white \* Engine room lighting \* Engine room ventilation system air intakes with mist eliminators and forced air out system \* External & internal seawater strainers for main water intakes – engines, generator & air conditioning \* Fire suppression system for engine room with automatic/manual controls \* Fresh water heater AC \* Fresh water system (pressurised) total capacity 750 Litres (approx. 198 US gallons) \* Fresh water tap & hose set in engine room \* Fuel filters/water separator for engines & generator \* Fuel lines all swagged \* Fuel tank gauge linked into Czone & sight gauge fitted to tank \* Fuel tank GRP (ethanol resistant resin), coated in fire retardant material. 3,000 litres (approx. 792 US gallons) \* Prop speed coating to propellers \* Sanitation system with switch at helm for overboard pump out and deck fitting for dockside pump out – Capacity 150 litres (40 US gallons) with odour filter \* Volvo active corrosion protection (ACP) system (Volvo IPS only) \* Tank capacities are total volume, usable capacity will vary due to boat trim and sea state. Do not rely on more than 90% of tank volume being usable

## **REGIONAL ELECTRICAL SPECIFICATION:**

AC power outlets (doubles) to all staterooms, heads, galley (x 2), saloon, engine room and flybridge, with Residual Current Device (RCD) protection \* Shore power electrical inlet (AC) 1 x 15 Amp \* Shore power electrical inlet (AC) 1 x 32 Amp \* Shore power leads (x 2) \* Voltage – vessel built to 230v/50Hz AC

### **SALOON:**

Air conditioning with electric head 2 x 12000 BTU (split to galley) \* Carpet with underlay \* Convertible dinette table, Manual hi/lo table drops down and swivels to become a coffee table \* Dinette U-shaped port side with storage under \* Grabrails recessed into headliner \* Head lining, vinyl with padding \* Lighting, overhead (DC) \* Liquor cabinet – 2 x refrigerator drawer units forward with 1 x freezer drawer unit aft \* Liquor cabinet – built in lockers for glass and bottle storage \* Saloon starboard lounge upgrade – centre seat base to slide out to become an ottoman and include a small fold out timber table

### **SALOON WINDOWS:**

Side windows – Glass opening (sliding) (in lieu of fixed glass)

### **SALOON WINDSCREEN:**

Windscreen (forward facing) – Black tinted and tempered glass

### **THE RIVIERA GROUP – WARRANTY:**

Riviera will, at its discretion and subject to the terms and conditions set out in the Riviera Warranty, replace or repair defects caused by faulty workmanship or materials during the first 12 months or 5 years for hull structure from the date of purchase

### **ENGINE:**

Twin Volvo IPS 950 Diesel (533kw/725hp) Includes low speed mode, DPS, Volvo autopilot, ACP twin lever electronic controls & joystick controls

### **MECHANICAL:**

Cockpit – Joystick engine control, installed into quarter panel with folding lid (port) \* Flybridge air conditioning 2 x 16,000 BTU with outlets at helm, demister and aft flybridge (self-contained) \* Drinking water filter with outlet in galley

### **FLYBRIDGE FLOORING OPTIONS:**

Marine grade carpet to flybridge floor (snap down, removable) (Beach/cream)

### **COCKPIT:**

Padded bolster fitted to cockpit coaming \* Rod holders in cockpit coaming (x 5) – bolted in, heavy duty stainless steel \* Rod holders to flybridge rail (x 6) – stainless steel

### **COCKPIT FLOOR:**

Cockpit floor area, Teak laid & side steps, including Mezzanine step and saloon entry step

**COCKPIT TRANSOM:**

Live bait tank in transom with pick up and circulating pump, window & bait prep station under lift up lid

**FORWARD DECK:**

Davit – Davco single boom (crane type) 350kg (771lbs) (Tender cradle not included)

**SWIM PLATFORM:**

Swim Platform – Teak

**APPLIANCE OPTIONS:**

Dishwasher (drawer) to galley (in lieu of pot drawer)

**APPLIANCE OPTIONS:**

Linen cupboard in Guest stateroom Starboard

**HULL STRIPE:**

Boot and Pin stripe the same colour (Riviera Blue (Navy))

**HULL COLOUR:**

White Hull Colour Standard

**AVAILABLE OPTIONS:**

Flybridge forward, Port and starboard windscreen cover, snap down (interior) in Black Breezeway \* Preparation for future watermaker installation (includes through hull fitting and electrical circuit) \* Underwater lights x 3 (blue) (Series 6)

**REAR AWNING:**

Half rear awning (acrylic canvas) (Black)

**EXTERIOR COLOUR SELECTIONS:**

Front windscreen cover (Black Breezeway) \* Saloon side window covers (Black Breezeway)

**FLYBRIDGE CANVAS:**

Aft clears & rail covers (1 piece Strataglass) with double tabling & zipper U shaped openings

**FLYBRIDGE UPHOLSTERY:**

Upholstery to flybridge lounges (Non Standard)

**HELM SEAT UPHOLSTERY:**

High quality white vinyl to flybridge helm chairs

**INTERIOR COLOUR SELECTIONS:**

Bedheads and bed surrounds colour (Barley)

**INTERIOR FLOORING:**

Commercial grade vinyl flooring to saloon (to match galley) / Carpet to lower deck accommodations (Charbrown, Twyne)

**SOLID SURFACE BENCHTOP:**

Solid surface benchtop colour – as fitted to galley, heads and enclosed flybridge (as selected) (Clam Shell)

**SALOON UPHOLSTERY:**

Saloon – Upholstery to lounges (Stone, Leather)

**HELM FLYBRIDGE:**

Helm & Companion chairs upgrade (x 2) Slimline Pompanette Platinum – fully adjustable with arm and foot rests

**MEZZANINE UPHOLSTERY:**

Cockpit mezzanine upholstery (WHITE VINYL) including (white stamoid cover)

**SOFT FURNISHING:**

Soft furnishing package (includes fitted bed linen, pillows, bedcovers and scatter cushions) (Pumice)
